At this writing Ray is traveling to Colombia and Peru. Please pray for smooth travel during these unsettling mishaps with air travel these days. Also as he interacts with fiends in Colombia and those interested in radio stations to reach indigenous groups in their own language He will travel from Bogota to Peru to help work on a station set up a number of years ago. His travel dates are November 17 December 12th.

1 Chronicles 16:23-26 NLT

Let the whole earth sing to the Lord! Each day proclaim the good news that he saves. Publish his glorious deeds among the nations. Tell everyone about the amazing things he does. Great is the Lord! He is most worthy of praise! He is to be reared above all gods. The gods of other nations are mere idols, but the Lord made the heavens!

At this Thanksgiving time and always we are so thankful for you holding us up in prayer and support for so many years though ups and downs. God is faithful.

May you have a blessed Thanksgiving.

Ray and Doris
