

Sydney Amateur Radio Club SILENT KEYS

The following names and former call signs are respectfully referred to as "Silent Keys". All of these passed members contributed in numerous ways to the foundation and growth of the Sydney Amateur Radio Club. Through their dedication and support of each other, their community spirit, and admiration of radio communications, they have left us with a legacy that will be difficult to exceed. As with each individual name we also remember unique stories which bring back joyous memories of these radio pioneers, and the early times of amateur radio. (Order L-R, T-B)
