

ARTICLE _____

1. No cursing or profanity on the repeaters or TARC/BRARS equipment will be tolerated.

2. Allow a party or parties to break into a normal QSO with the customary "break" request. Party or parties requesting the break into the normal QSO conversation should limit the interruption to an immediate need only allowing the normal QSO to continue as soon as possible.

3. Conversations will not be allowed that are by nature, prejudicial, derogatory or defamatory toward others and those whom may be listening. Specifically, to berate, denounce with hateful intent, or use pejorative language, directed at any social group and or person(s), for their political, religious, or personal beliefs, is not permitted on TARC/BRARS repeaters or via any club station/equipment.

4. FCC part 97 under CFR 47 rules shall apply in their entirety to the use of TARC/BRARS repeaters and stations. All part 97 legal benefits are enjoyed by the users and listeners to our repeater system. Violations of any of these rules shall also be grounds for sanctions up to and including banishment and/or expulsion from the organization.

Enforcement of Code of Conduct

FCC part 97 rules shall apply in their entirety to the use of TARC/BRARS repeaters and stations. All part 97 legal benefits are enjoyed by the users and listeners to our repeater system. If any repeater/equipment user is heard violating this code of conduct, be it club member

or public user, an on-air warning and request to immediately desist may be issued as appropriate. Any operator may give this warning, however, this matter should be reported to the Radio Officer of the organization.

If this action is willfully persistent and the continuing violations by any club member are believed to hold merit, an inquiry shall be held by the Board of TARC/BRARS as initiated by the Radio Officer, the member will be formally notified by US MAIL, First Class Postage paid mail informing them of the continued infraction. Notification shall include a copy of this document. The aggrieved party may request a hearing by certified mail within 30 days of receiving the letter.

This notice shall serve as a formal warning, if the user is heard on further separate instances willfully violating the Code of Conduct, such instances will result in being sanctioned by certified mail to prevent use of any and all TARC repeaters and equipment and may be expelled from the organization as per Article _____. The aggrieved party may request a hearing by certified mail within 30 days of receiving the letter sent to the address so noted.

Any non-member user of the Repeater(s) not being a member of the organization, then he or she may belonging to the club may be enjoined by a cease and desist letter without any notice banning said user from using the repeater as per CFR Title 47 Part 97:205(e).
