

MEETING OF THE THIBODAUX AMATEUR RADIO CLUB

CALL TO ORDER: By Richard Barrett N5OEQ at 1941 Hrs.

MINUTES OF LAST MEETING: By Ron Nelson WB5ANG

TREASURERS REPORT: By Don Bardwell.

REPEATERS REPORT: All of our repeaters are O/S (Out of Service) or have antenna damage. It is unknown when 147.390MHZ and 444.500MHZ will be back on the air. The 147.300 MHZ has antenna problems and not sure when this will be repaired as it is expensive to get tower work.

NET REPORT: There was No NET Report as our repeaters are not working. The NET will be moving temporarily to **146.985** MHZ with a Tone of **107.2** HZ.

OLD BUSINESS: New Tower is VERTICAL.

NEW BUSINESS: Tech Classes 12 & 19 April at Vision Christian, Bourg

NO BUSINESS MEETING in March due to the parades. 210 Rptr is up.

PRESENTATION: Don Bardwell, WA5PRI on Impedance, Smith Chart, SWR.

Meeting adjourned at 2048 Hrs. Motion by Don WA5PRI Second by Jim WA5BJB
