

MEETING OF THE THIBODAUX AMATEUR RADIO CLUB

CALL TO ORDER: By Richard Barrett N5OEQ at 1935 Hrs.

MINUTES OF LAST MEETING: By Ron Nelson WB5ANG

Motion to accept by Francis WD5CFM Second by Jim WA5BJB

TREASURERS REPORT: By Don Bardwell.

Motion to accept by Francis WD5CFM Second by Jim WA5BJB

REPEATERS REPORT: All of our repeaters are O/S (Out of Service) or have antenna damage. It is unknown when 147.390MHZ and 444.500MHZ will be back on the air. The 147.300 MHZ has antenna problems and not sure when this will be repaired as it is expensive to get tower work.

NET REPORT: There was No NET Report as our repeaters are not working. The NET will be moving temporarily to **146.985** MHZ with a Tone of **107.2** HZ.

OLD BUSINESS: Christmas Party went well

NEW BUSINESS: Christen & Rhymes made a nice donation to help with the repeater. Thank you very much.

George WB5PKK passed the Extra exam; Joe Colson passed the Tech Exam. Well done.

Don WA5PRI will give a program on coax and SWR (Standing Wave Ratio) at the 3 February meeting. Don't forget our NET Meetings are on 146.985 with a tone of 107.2.

Meeting adjourned at 2007 Hrs. Motion by Don WA5PRI Second by Jim WA5BJB
