Picnic Radio Competition Results

The June 14, 2014 radio competition was very successful. Here are few highlights among the first place finishers. The VHF station of Jack, ko6v, made contacts on the magic band into New Mexico. Jack's, ko6v, station also operated as W6SD for part of ARRL June VHF Contest which happened to fall on the same date as our picnic. Both Jack, ko6v, the station owner, and Phil, kj6zi, powered the VHF station to a club first place. Thanks also to Mark, k6fg's first place finish demonstrating remote hf access. Finally, Steve, kn6y, demonstrated his QRP station with with portable antennas and miniscule size batteries working into both Hawaii and Cuba.

Thanks to all the competitors.
