

The BEAM

ARMS Christian
Fellowship Group

Fall 2007

PRESIDENT'S DESK:

On Friday afternoon, May 25, 2007 everyone who had registered to celebrate the 50th anniversary of ARMS began arriving at the Mount Olivet Conference & Retreat Center at Farmington, Minnesota. Neale Thompson (KØLHJ) who had suggested this meeting place, circled overhead in his airplane giving talk-in information to those arriving.

After all had checked into their rooms, they assembled in the lovely dining hall for the first of the delicious meals served by the center. The room had glass windows all around, and outside were numerous bird feeders attracting a variety of birds whose chirps were piped into the dining hall.

After the meal everyone assembled in a meeting room under a banner reading "50 Years of ARMS...1957-2007" made by Bob Kurtz (W2CYO) to hear Dick Harris (K7VCD), one of the original founders of ARMS, tell how it all began in March of 1957. Of special interest was the ARMS logo that he had sketched in the margin of his Bible and that became the logo for all ARMS literature. Following the program the group was led in singing by ARMS vice-president, Mike Rafferty (K7PTL) with his guitar. He was accompanied by Boyce (K5VSP) on guitar, Duane Stradley (KM5O) on the fiddle, and Gerry

The BEAM is published twice a year to provide information and inspiration for the members of the ARMS Christian Fellowship Group. To submit material for publication, contact the editor, Chuck Winter, N7AAG, at 825 Taylor St., Sunnyside, WA 98944 or chwinter@earthlink.net (preferred). Deadlines are March 15 and September 15.

Regular membership in ARMS is open to any licensed radio amateur who can subscribe to the ARMS doctrinal statement. Further information about membership in ARMS can be obtained at the organization's website: www.armsfellowship.org

Other membership questions and payment of dues (\$8.00 annually) may be addressed to Ora Gifford, KE7BF,

SILENT KEY: Malcom Williams ZL1UE

From the August 20 edition of *The New Zealand Herald*.

Malcolm (ZL1UE) Williams.

On 18 August 2007, at Eventhorpe Home; aged 66 years. Dearly loved husband of Jean; loved father and fatherinlaw of Ruth, Roger and Paula, Kelvin and Melissa, David and Leigh; loved Grandad Horse of Jody, Kylee and Leana; loved son of Ruby and the late Ken, loved brother of Heather and Taz. "Always in our hearts."

The funeral service will be held at Whitiara Bible Chapel, Abbotsford Street, Hamilton on Thursday 23 August at 1pm followed by interment at Whatawhata Cemetery. In lieu of flowers, donations would be preferred to Hospice Waikato and may be left in the Chapel foyer or posted to PO Box 325, Hamilton. All communications to the Williams family, c/o Pellows Funeral Directors and Advisors, 138 Grey Street, Hamilton.

Secretary/Treasurer, 708 Hillcrest, Grandview WA 98930.
Membership year is June 1 through May 31.

Eastern Section Report

The Eastern Section of the ARMS net continues to be very active on 75 meters. The Net meets on 3907 Khz at 0715 Eastern time on Mondays and Thursdays and at 0900 Eastern time on Saturdays. On Mondays we average 12 check-ins, on Thursdays 8 check-ins and on Saturdays 10 check-ins.

We maintain an active prayer list which includes both missionary needs and requests of those who check in. The first Monday of each month each check in brings before the group the name of a missionary prayed for or supported. Several Eastern Section members enjoyed and were greatly blessed by the 50th Anniversary Convention held near Minneapolis May 25 through May 27. Those attending were Mike (K7PTL), Bob (W2CYO), Don (K3RYV), Al (K2CAC), and Larry (W2PT).

On August 11 the annual ARMS Eastern Section picnic was held at the home of Larry (W2PT) and Pat Hodge. There were 24 ARMS members and xyls

who attended. Those attending were: Norm (W2NNJ), Corky (WA2KKF), Gerry (K4RBZ) and Shirley, Mike (K7PTL) and Mary, Joe (WA3UVP) and Cindy, Wally (VA3WIT) and Judy, Wil (WA2OJN) and Sandy, Paul (K2QCG) and Jenny, Al (K2CAC) and Esther, John (WB2SQX) and Sue, Bill (WB1DQT) and Ruth, Bob (W3FMM) and Eadie, and Larry (W2PT) and Pat. Additionally, Larry's Pastor Jacob Robinson, his wife Abbi, his children Aubrey, Avery and Emory and his aunt Peggy attended.

The group enjoyed hymn singing with Mike's guitar, special music from Abbi, and a slide presentation from John and Sue on their recent Alaska trip. It was a great time of fellowship. We are excited to see the net grow as we welcome new check-ins.

*Larry Hodge, W2PT
Eastern Section Director*

Southeast Section Report

Our annual get-together was November 2 and 3 this year at Stone Mountain State Park. We took in the Lawrenceville Hamfest in Georgia. Bobby Howington (KC4DOG) and Diane Howington (KD4PIG) were our hosts.

Ed Lewis (K4WOS) is still active checking in every Saturday morning, and he will be 93 years young this coming April. He is still very sharp and adds a lot of wisdom and knowledge to our group. Thanks Mrs. Jean for sharing Brother Ed with us on Saturday morning's.

Ed Bradley (W4VGI) is the busiest man I know. He stays extremely active helping provide communications for his local club for various fund raising events. He also provides communications for Skywarn thru the National Weather Service.

Dave Gillespie (WA4LLR) just spent two weeks in Guatemala. I have not spoken with him since he

returned but I am sure the Lord blessed their efforts.

Dan (W4MGZ) who is on the fringe area of our net has been making it in with us almost all summer. Dan & Pat are in Wilmington N. C. on the beach which makes it a long haul on 75 meters at 0900 on Saturday morning.

Also Dave Newell (WA4DUP) who is with Neighborhood Gospel Missions in Georgia had a youth camp a few weeks back with more than 200 kids and 14 of them surrendered to the Gospel Ministry.

Keep looking toward the eastern sky; Jesus is coming!

*Denis Parker WD4ACH
Southeast Section Director*

Midwest Section Report

A Spring 2007 Midwest section report was sent off but we did not have a Spring 2007 Beam. So to bring you all up to speed....

I want to thank Chuck (N7AAG) for being our BEAM editor and I wish him and his family well. As a result of our annual meeting on Aug 12, 2006, we were able to gain two new ARMS members: Ron (KBØKRI) and Fran (KCØCSU) and two members were reinstated: Keith (WAØJGT) and Andy (WBØAF).

Our Midwest section ARMS meets on Saturday at 0830 local time at 3.905 MHz or lower (never higher if there is QRM). We did not have a Midwest section ARMS meeting in 2007. We had planned to have a short meeting on Saturday, May 6, at the national convention, but did not due to a very poor turnout from the section.

We did gain Ken (K3FMA) who saw the event listed in QST. We hope to hear Ken soon when he gets his equipment set up.

Time flies when you're having fun. I must have had a ball at our 50 th reunion. It sure was a bit of heaven that Vicky and I called a mini-vacation, but it was way too short! It was nice to put faces to voices and to see ones that I had met many years ago.

As to of late, Claude (N9BKA) is in the process of moving so he is unable to get a setup to check in with the Midwest net. Fran (KCØCSU) is doing a roofing job at his QTH, so he is off the air as well. Russ WAØNPH moved to a hi-rise and has no

antenna.

The family of Karl WAØTFC expressed thanks for your on-going prayers. Karl had a stroke on Feb. 8 and has lost the use of his right side. His memory is fine. Karl's address is: Benedictine Living Community of St. Peter, 1907 Klein St., St. Peter, MN 56082. He can get the care he needs there 24/7. Mary (Karl's mom) is 90 years old and would not be able to care for him in his condition.

I moved a ham station into my den by adding two more knife switches to the setup I had, extending the ladder line to the den. I should be able to check the nets more often now.

The late Francis Finck's (WØQCB) wife's name is MAX not MAY as reported in the last issue of the Beam. Max is working to get her ham license. She tunes us and the 20m net in regularly.

With all the power vested in me as the president of the Midwest section, I have appointed Frank (AGØ-MAS) as net manager to fill that spot for Karl (WAØTFC). Keith (WAØJGT) was appointed as vice president to fill the spot for Don (KØOAV), a member of the Glory Net, and Fran (KCØCSU) was appointed as our secretary to fill in for Elaine (WBØEJA) who remains as honorary secretary.

-73

*Arnie Kopischke, WAØDFT
Midwest Section Director*

Canadian Section Report

My wife Sarah and I regretted being unable to attend the 50th ARMS Anniversary Convention. The dates conflicted with the wedding of our grandson Kevin in Alberta, 650 miles in the opposite direction. A second family wedding took place on September 15th when our granddaughter Melissa was married in First Evangelical Free Church in Calgary where her dad is Senior Pastor. We are grateful those taking the marriage vows are dedicated Christians.

Don (VE4ACA) and Elaine (VE4AEB) Bettorf plan to leave for Palm Park in Weslaco, Texas, in November for a few months. Don hopes to have a 20 meter station set up by Christmas and then get on the ARMS net on a more regular basis. They are both actively involved with the Christian Motorcyclist Association during the summer months on the Canadian prairies, attending secular bike rallies and being available to help make rallies a success. At the same time they are building relationships so they can earn the opportunity to share their faith and point bikers to the Cross. Don adds that life is exciting when one can use the motorcycle as a tool to witness in addition to Amateur Radio on the open airways. Your prayer support is appreciated.

Wes Johnson (VE4DC) reports his rig has been broken for some time. He misses it but at this time is uncertain as to whether he will be on HF again. We hope he will. He and wife Connie are active in many

ways around the church.

Gordon Tiessen (VE7BQA) writes the following: "Because we live in a townhouse complex, we are not permitted to put up an antenna. One day this past summer, I was messing with my Hustler antenna, and decided to put it on the back of the fifth wheel and see if I could work the ARMS net. I had only been successful a couple of times in hearing the net. Any possible improvement would be welcome. I decided to call my brother-in-law, Jim (VE4ID) on the landline to see if he could copy me with my antenna up a little higher. I had a good copy on Jim but he couldn't hear me. Just then I heard an airline pilot call VE4ID and ask Jim if he would phone his wife, Dianne in Winnipeg and tell her that at 0600 he would be right over the house at 30,000 feet. Jim got the phone number and made the requested call and then called the pilot to advise the message had been passed. Dianne had asked if she should wave, to which Jim replied that would be a good idea: after all what's 30,000 feet? Ain't Ham Radio great?"

Gordon and Leone planned to leave for Mesa, Arizona on Oct 7th.

Jim McAuley, VE4ID
Canadian Section Director

SILENT KEY: Bob Collings VE7TRC

Thomas Robert (Bob) Collings, 85, of Kelowna B.C., went peacefully home to be with his Lord and Savior, Jesus Christ, on February 26, 2007. Left to cherish his precious memory is his loving family: his devoted and treasured wife of 62 years, Shirley; his children: Joan Vernon (David, Marilyn Stuart (Ward), Betty Wessner (Ron), Bev Brown (Jim), Bobbi Bucknam (Dave), and Warren Collings (Sherill); 13 grand children and 2 great grand children. He retired from the Insurance Bureau of Canada in 1986. He and Shirley then made their home on Salt Spring Island, B.C. Over the years he faithfully served the Lord.

He died peacefully with gratitude to God knowing that all of his children embraced his faith in Jesus, continuing the legacy that was passed on to him by his parents.

Shirley and Bob Collings

PRESIDENT'S DESK:

Continued from page 1

(K4RBZ) on the harmonica.

After breakfast on Saturday morning attempts were made to check into the 20-meter ARMS net from the station set up in the center. Band conditions were so poor that the attempts were unsuccessful.

While the men met to hold their business meeting, the women enjoyed craft activities led by Mary Rafferty (K3PTL) and a Bible study led by Adele Birx (WA3ASE). After lunch the business meeting was resumed for a brief time, and the rest of the afternoon was free for fellowship, relaxation, or hiking the nature trails on the grounds. Craig Schmidt, (WBØGFZ) assembled the entire group of forty-seven attendees from sixteen different states in front of the chapel for a photograph

After a delicious dinner, the group assembled again to hear stories from ARMS members who had both served on the mission field as well as those who had provided communication by amateur radio to the mission field. Paul Wyse (W4PFM) spoke of his

many years of service on the mission field, while Don Birx (K3RYV) and Al Smith (K2CAC) shared how they provided radio communication to the mission field.

After eating a hearty breakfast Sunday morning and checking out of their rooms, most of the group assembled in the chapel for a worship service led by Neale Thompson (KØLHJ) who gave an inspiring message followed by heart-warming testimonies by numerous ones who had served on the mission field. The service concluded with a meaningful partaking of communion.

Following a noon lunch, everyone gave their farewells. Thus concluded a wonderful weekend of celebration, fellowship, relaxation and worship. We thank God for the way He has blessed ARMS these fifty years, and pray that He will continue to bless the work another fifty!

*Gerry Brunk, K4RBZ
President*

Northwest Section Report

Stan (KD6WZA) reports that he is trying to get that antenna back up in the air on 80 meters. He also indicated they had a good childrens Bible school at Happy Camp Bible Church. We will be listening for you, Stan.

John (W7GAE) and Pat (K7YIR) both have medical issues to deal with but have been keeping us up to date every Thursday morning.

We have a new voice on Thursday morning: Wayne (WB7EIF) from Monroe, Oregon. Always good to hear your voice, Wayne.

Bob (WA7BYD) is having a large oak tree taken

down in his back yard. His excuse is that it is a danger to his house. We all know it is more likely because it is interfering with his 80-meter antenna!

Last, but not to be forgotten, is our friend Frank (W7CVL) who became a Silent Key since the last time we sent in a NW letter to the Beam. Frank was 93 years old and the oldest member in ARMS, we believe.

Thats all for now. 73-99

*Bob Hambly WA7BYD Northwest
Section Director*

MISSIONARY REPORT:

UPDATE - AUGUST 2007

From July 16 to August 2 Ray was in Leticia, Colombia. The trip went very well. On Saturday, July 28, there were 12 of us standing in an empty lot in Filedelfia, Brazil. This Ticuna village wants a recording studio on this site. They are producing 15-minute programs to air on a local radio station. There were several missions represented plus the local people. Of the 12 gathered there were 4 languages spoken: Spanish, Portuguese, English and Ticuna. Some of the group who were bilingual were translating for us. We had a common goal of helping these Ticuna proclaim Jesus Christ.

Helmut Menzel from Germany accompanied me to Leticia to help us design the two recording studios (one for the Ticuna and one for the Colombian radio station and Bible Institute). Helmut is an acoustics engineer with TransWorld Radio. His explanations and drawings were very helpful.

During the last few days and hours of our stay we were able to get full political backing for the proposed short wave radio station in Leticia. Pedro Martinez, a retired Colombian army sergeant, was extremely helpful in making these contacts. Pray for Pedro and his family. They are looking to the Lord for guidance as Pedro considers an offer to help in the administration of the State of Amazonas. I am trying to find a lap-top computer for him since we have a lot to coordinate by email. I am really encouraged by the contacts and interest I experienced this trip to Leticia.

Ray Rising

PENDING:

Appointments with two Senate Representatives from Leticia Amazonas here in Bogota to present a portfolio of the Amazon Radio Project and to get an appointment with the Ministry of Communications so we can apply for a license.

Plans and funding for the recording studio near Leticia. We need an interested architect to draw up the building plans and calculate how much building materials are needed.

Doris has been suffering with an eye infection (she looked like she lost the fight)! This needs to heal completely before she can have cataract surgery.

Ray injured his back (possibly cracked a rib) when a hammock broke in Leticia and sent him crashing to a tile floor. It hurts when he sneezes.

Saturday, August 4, we moved. The Guest House will be very busy the next couple months so we are house sitting for three months. After that we will either move back to the Guest House or the door may be open to move to Leticia. Day by day we are asking the Lord for His leading.

Thank you for being a faithful prayer warrior and/or financial supporter. We couldn't do this work without you. God bless.

*Ray and Doris Rising
Apartado Aereo 85801
Bogota, Colombia SA
Email: ray_rising@sil.org*

Business Meeting Minutes

May 26, 2007 at the
50 Year Anniversary of the ARMS Net
at Mt. Olivet Conference & Retreat Center
Farmington Minnesota

Present: There were 30 members at the meeting.

1. The business meeting of the 2007 Convention was called to order by the President Gerry Brunk (K4RBZ) at 1000 (CDT).
2. Vice President Mike Rafferty (K7PTL) brought us a fine devotional on "The Life We Possess" using a number of scriptures.
3. Bob Kurtz (W2CYO) read the write-up that he had done about the 1990 Convention for the ARMS *BEAM*.
4. Ora Gifford (KE7BF) Secretary/Treasurer read the meeting minutes from the last ARMS Convention which was held at Houghton College, Houghton New York on June 30, 1990.
5. Ora Gifford (KE7BF) also distributed the Treasurer's report for the past fiscal year. It was reviewed and approved.

6. SECTION REPORTS

Larry Hodge (W2PT) reported for the Eastern Section. He reported that the Eastern Section is very active, meeting 3 times each week on 3907 Khz. Larry put in a word for our members remembering to pray for missionaries and the other members of ARMS.

Denis Parker (WD4ACH) reported for the Southeastern Section. They meet on 3899.5 KHz Saturdays at 0900 Eastern time.

Duane Stradley (KM5O) reported that the South Central Section meets at 0800 Central time on 7226.5 Khz Saturday with an average of 9 to 10 checkins.

Arnie Kopischke (WAØDFT) reported that the

Midwest net meets Saturday at 0830 on 3905 KHz and has a number of checkins. Their Vice President, Karl (WAØTFC) suffered a stroke recently and is in a rest home and Don Berggren is a recent Silent Key.

Parks Squyres (W7PKS) reported for the Southwest section who meet on Saturdays at 1000 Pacific time on 7.2265 MHz. Bruce (K6ZB) is the net control. Parks also gave a report on Malcolm (ZL1UE) who Parks contacts on a 2-meter link with New Zealand nearly every day. Malcolm is ill with cancer and needs our prayers.

Ora Gifford (KE7BF) reported for the Northwest Section that the net meets Thursday morning at 0720 Pacific time on 3962 Khz and have 6 to 10 checking in.

Roger Stubbe (WØZMU) reported that the Rocky Mountain net meets on Saturday at 0700 Mountain time on 3962 Khz with 6 to 8 checking in.

Several of the sections reported trying to have a Section gathering annually.

7. OLD BUSINESS: There was no old business.

8. NEW BUSINESS: A motion was made by Dick (K7VCD) to recommend to the membership that a change of name for our Organization to "ARMS Christian Fellowship Net." It was seconded by Larry (W2PT) and a discussion followed. The motion was defeated. Action was taken to keep the name, "Amateur Radio Missionary Service" as well as the mission statement after much discussion.

There was a discussion of how to keep our net viable during the years ahead. Some suggestions that were put forward were, involve youth in our churches in the hobby, invite hams we know to check out our net and web page and possibly do some advertising.

A discussion was had concerning getting a call sign for our net. It was suggested that Gerry (K4RBZ)

Continued on page 9

Business Meeting Minutes

Continued from page 8

pursue getting an ARMS club license and then request the vanity call: KA2RMS. (See Editor's note below.)

A motion was made and seconded that the current officers continue for another year. Passed

There was a discussion regarding future conventions, and it was moved and seconded that we have a National Convention every five years. No further plans were made for the next convention which would be in 2012.

The business session adjourned at about 1400 CDT (between the morning session and the afternoon there was a lunch break from about 1200 to 1300)

Special thanks are extended to our guest speakers at the Convention: Dick Harris (K7VCD), Paul Wyse (W4PFM), Don Birx (K3RYV), Al Smith (K2CAC), and Neale Thompson (KØLHJ).

*Submitted by Ora Gifford, KE7BF
Secretary/Treasurer*

Editor's Note:

The president therefore applied for a club station call and was given KI4WTN. He then applied for and received the vanity call KA2RMS which has "ARMS" in the call and which net controls are now using on the ARMS nets. Thus for the first time in its history, ARMS has a club station and club call. The president is the trustee of the station.

MISSIONARY REPORT:

Thank you for praying for our recent trip to Lansing, Michigan for the National Church Conference of the Blind. Despite some illness early in the week I felt better and Gladys and I felt it was a profitable week of ministry and fellowship. I spoke to the conference on Monday evening and sought to fulfill my responsibilities on the board of directors. In addition, we had a display table as well, handing out several copies of both large print and braille lesson booklets.

We returned home Friday evening and it's back to the office this morning where I do not know what awaits me, even though I'm aware of some of the email that has come in over the past week.

Praise:

1. For the successful conference and for the oppor-

Ben Watson

tunity for ministry.

2. For safety as we flew to and from Lansing.

Prayer

1. For the beginning of recording of Amherick language lessons
2. For the beginning of a new class next Tuesday evening October 2 where we will be studying the gospel of John. Later this week the details will be on www.slmtraining.com along with recordings of our previous study and additional resources.

Thank you for praying and praising with us.

Immel News

October 2007

Celebrating 30 Years With Wycliffe September 1977—2007

It has been an incredible journey! As we left Denver, Colorado we claimed the promise in Matthew 19:29 "...everyone who has left houses or brothers or sisters or father, or mother or children or fields for my sake will receive a hundred times as much..." We can certainly testify to that promise. We've been blessed with many great homes, brothers & sisters in the Lord, adoptive fathers and mothers who've instructed, admonished, encouraged and loved us. We are amazed at our "family" across the U.S, Peru, Papua New Guinea - - actually around the world!

Our journey would not have been possible without each of YOU—our financial partners, prayer warriors, encouragers. *"May those who bless you be blessed..."* (Numbers 24:9a) is our prayer for you.

Our journey continues...in a few short weeks we will be moving to Sandpoint, Idaho. You're probably wondering "where in the world is that, and what will they be doing?"

Dave will be working for Quest Aircraft assisting in the production of the Kodiak airplane. This plane was designed to meet the transportation needs of mission organizations around the world. Although Dave will be employed, we have not resigned from Wycliffe. We are excited that God has provided this tangible way for JAARS to further partner with Quest so that Bible translation will be expedited. (www.kodiakproject.com)

I will continue working full time through three "remote" assignments. I will serve the JAARS Board as the Corporate Secretary. I'll attend biannual board meetings, take minutes, and assist the Board Chair as needed. Another responsibility will be to respond to initial inquiries to the JAARS website. If you haven't visited the website (www.jaars.org) you should take a few minutes and read about what's happening! I'm both excited and a little nervous about my other assignment—I will be a Personnel Administrator and interacting with missionary families who are returning to the States for their furlough. I'll stay in contact with them, answering questions, explaining various policies, encouraging, ministering, praying, and help them in their adjustment back to the US culture.

We are excited to see how God has led and provided this opportunity! We will need and appreciate your prayers as we make this huge transition. Your financial gifts will continue to be handled through Wycliffe U.S. in Orlando. At this point we do not know our address or phone number—we will let you know as soon as we can.

Reaching the ends of the earth,

Patsy and Dave
