Immel Update

Dear Friends,

It's been a busy summer for us and we suddenly realize it's almost over. In May we attended the Moody Northwest 2009 graduation. We got to spend some time with some of the Moody Aviation students. The family of one student was under Patsy's supervision during their year of furlough from Niger. The month of June began with a trip to Mission Aviation Headquarters in Nampa, Idaho for a week of training with several of their mechanics. MAF has now taken delivery of three new Kodiak aircraft. Early June saw the delivery of a Kodiak to Samaritan's Purse as well. Patsy spent a long weekend in Boulder to help celebrate her dad's ninetieth birthday. In July we spent a weekend with Amanda and Jason and his folks. We spent one day near Wallace, Idaho, riding the Hiawatha Trail, a "rails to trails" bike trail. The first week in August we flew to Michigan and spent the week with Dan & Heidi and Jason & Amanda.

What's Coming Up

Patsy heads for Wycliffe Headquarters in Orlando the first week of September for a Personnel Administrator Recurrency session. This is an annual meeting where all the Furlough PAs meet together.

It's an opportunity for fellowship and learning of recent procedural changes, forms and learning how to use them.

MAF training course in Nampa.

Please join us in praying for the JAARS aviation crew as they make plans to ferry the Kodiak to

Papua New Guinea around the end of August and into September. Pray for us here at Quest as well as we are making plans to head over to PNG in October to do a Kodiak training course for the guys there. Patsy will be going along and doing a mini reverse furlough and we'll both stay on for a bit to spend time with Jeff, Kristen and our grandkids.

We've extended the contract/lease agreement for another six months with the folks who are planning on buying our house in North Carolina. Continue to pray that they would be able to sell their home so we can close the deal and begin thinking of possibly purchasing something here.

Thanks for your continued interest in the task of Bible translation and the part that we play. Your prayers, encouragement and financial support are such a blessing to us.

May our Father bless you beyond measure!

Dave and Patsy
