

February 1, 2024

As Doris is typing this and sending it out I am on my way to Bolivia having left the house at 4:00 AM and getting to Santa Cruz around 7:30 PM tonight. Thank you for your continued interest in this Ethnic Radio Ministry. There is much to do during February 1st-12th. A Bolivian missionary has asked me to look at a site in a narco controlled area where he wants to install a radio station. A Quichua radio station in Cochabamba that I have worked on in the past is having technical issue so I will travel there from Santa Cruz to evaluate the situation. The President of the Evangelical University in Santa Cruz wants to meet with me to discuss a sound studio/radio station. This coming Sunday I have been asked to share my Guerilla Hostage story in a church in Santa Cruz. Pray I will have the right words for telling it in Spanish. We lived in Santa Cruz, Bolivia from 1999-2007 so there are Bolivian families to visit. One just lost their daughter and wife to complications of leukemia. Very sad. In all the above includes more than 20 years of personal contacts. Almost all one-person-at-a-time. How could I do less? John 12:26 Whoever serves me must follow me; and where I am, my servant also will be. My Father will honor the one who serves me. NIV

Serving Jesus,

Ray and Doris
