

# "RISING" UPDATE

March 2021

Dear Friends,

COVID- 19 still dominates the news! Praise God His work is still going forth. We have been able to continue with Ethnic Radio via WhatsApp, phone, email, etc.

Listener reports from Venezuela are coming in from the short wave station we helped establish early 2020. One person sent a very clear recording of a Bible teaching.

From Pastor Jairo in Chazuta, Peru: " Ray, I want to confirm to you that Radio Logos is being a great blessing to the communities of Quechua del Pastaza and Achuar." Rick Herr and Ray were able to troubleshoot a transmitter problem in Chazuta via a WhatsApp.

Planning is going on for Ethnic Radio stations in Bolivia and Peru. Lord willing Ray hopes to travel to Colombia, Peru and Bolivia this year if things open up again.

One of the greatest blessings of ministry in these countries in the last 45 years is the wonderful friends that we have. That makes it all worth it. Pictured are some of the contacts we have.

Ray's eye surgeries for cataract/glaucoma went very well. The pressure is down and with glasses he sees much better than before. We have both had the COVID vaccinations.

It has been over a year since we have seen our boys and families. Both have had members come down with COVID.

Our oldest grandson planned to be married this month but postponed until July. We look forward to being with everyone for this celebration.

In spite of the turmoil of this past year how good it is that we can rest in the promise from God's Word,

*"God is our refuge and strength, an ever-present help in trouble..." Psalm 46:1*

Thank you for being a blessing to us with your prayers and financial support.
