Committee Reports

Testing Committee – The February 15th testing had one participant, Jerry KF0THT, who aced his technician test.

Our next testing session will be at on May 17 at the Library. Testing is planned for 1:15pm. VE's should let Monty know they will be there and arrive by 1:00pm

Repeater Reports – Shane and Aaron visited the tower site after the February meeting to do more troubleshooting on the laptop issues at the 440 site. It turned out that the laptop lid needed to be open for Anydesk to transmit properly due to some driver issues. The laptops will remain open.

Shane passed out a sheet with the times that the 440 repeater will automatically change to a different digital room. These times correspond with 14 different net events per week.

Old Business

Dues are still due. Thank you to everyone who has gotten them to Aaron in a timely fashion.

Please look at the announcements to see the Jotform for the club contact sheet. This form is to help update the club information and will be published for club members only. There is a section on the form for you to say what information you want to share.

Music in the park is looking for volunteer organizations to assist with parking vehicles for 4 events. There is also a Jotform in the announcements to sign up for particular dates. Please sign up by March 9th as the Rotary needs to know ASAP.

New Business

The May and July meetings are the same days as the North Bend Ham Fest and the State Convention. Terry L made a motion that the both meetings be postponed a week, to May 17th and July 19th. It was seconded by Ron. Carried by the Club

Terry L. won split the pot today. The total was \$16 which he donated to the club.

Future Dates

Next Meeting – April 12th

Testing – May 17th

Meeting Adjourned at 9:00 am.

Respectfully Submitted,
Aaron Mathis, KT0Q
Treasurer/Secretary
