Committee Reports

Testing Committee –During the last session, there only 2 VEs were available. There were no candidates. Our next testing session will be at on during the Ham Fest in November.

Repeater Reports – The new repeater from Yaesu has arrived for the 73 site as well as a network switch. The first course of action is fixing the networking issue at the site, then installing the new laptop. As soon as that is done, we can install the new repeater.

There was more discussion regarding the Neligh repeater. We are still looking into it and having discussions with the powers that be.

New Business

Ham Fest – Aaron is currently reaching out to vendors for door prizes. We do need to determine a grand prize or several. We would like to purchase the big prize from D&L. We will come to the next meeting with suggestions.

There was no split the pot this week.

Future Dates

Next Meeting – October 11th

Meeting Adjourned at 9:41 am.

Respectfully Submitted,
Aaron Mathis, KT0Q
Treasurer/Secretary
