Committee Reports

Testing Committee –Our next testing session will be February 21 at the library. Sessions for the rest of the year are May 16, August 15, and November 21.

Repeater Reports

- 73 Site – Site is stable
- 440 – Site is stable
- DMR – Site is stable

Old Business

In the next few months there will be an opportunity to assist a local Scout group with obtaining their radio merit badge. If you are interested in assisting reach out to Andy, Shane, or Kurt. We will need a few operators on Monday February 9th at 7pm. A few people will be needed on site, as well as at their home or mobile stations to make some contacts.

Winter field day is going to be held January 24th and 25th. It will take place at Shane's house. Reach out to Terry R. for more information. We will be focused on the multipliers. Start time is 10am on Saturday the 24th.

New Business

We are pursuing linking in the repeaters in Hartington and Albion, NE. We have initial contacts made with the folks and will pursue placing nodes at the repeater sites. Aaron made a motion to spend up to \$300 for a node to link in the Hartington repeater. It was seconded by Matt. It was carried by the club. Aaron made a motion to spend up to \$300 for a node to link in the Albion repeater. It was seconded by Terry R. It was carried by the club.

Shane brought up the need for additional net control ops. Please reach out to Andy if you would like to be on the list.

Future Dates

Winter Field Day – January 24th and 25th

Next Meeting – February 14th

Testing Session – February 21st

Meeting Adjourned at 10:10 am.

Respectfully Submitted,
Aaron Mathis, KT0Q
Treasurer/Secretary
