Dear Hiring Manager,

In my pursuit of new creative endeavors, I was excited to find the opportunity with your company. As a progressive professional with my Certified on Pro Tools experience from Trod Nossel Studios in Wallingford CT since 2006, I also have some experience with other DAW's such as Ableton Live 11 Lite and Reaper. I also have experience with iTunes and Audacity. I believe I can bring valuable contributions to your team. I am a 1988 graduate of Cheshire High School. I am also a 2022 graduate of The Audio Institute of America earning a diploma in Recording Engineering and Music Production.

Identifying innovative approaches and improved solutions to business challenges both motivate and drive me. I work well independently and I have a good eye for detail. Also, I am reliable and dependable and I am a perfectionist. Observation, inspiration and determination are my foundation for success. My philosophy is that introducing fresh perspectives and new techniques allow businesses to evolve and grow. Similar to your company, my goal is to remain on the cutting-edge of advancements.

Currently, in my Music Producer, TV Producer/Host Role, my successes have stemmed from essential skills with experience in coding 10 different computer languages including HTML 4, HTML 5, CSS, Java, JavaScript, C, C++, Python, BASIC and COBOL. Mainly using an App called jGRASP, and Sublime Text Editor. I also have experience with FTP for Windows (WSFTPL95) for Mac (Fetch) and for Linux Ubuntu (FileZilla) Clients and team building. I am a collaborative team player who is always searching for opportunities to impart valuable insights. With these qualities, I am able to facilitate positive change and impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Thank you for your valuable time.

Sincerely,

Todd David Olsen
