GLG/June 5, 2021

Introduction:

7.3.3. Public Location: 100 bonus points for physically locating the Field Day operation in a public place (i.e. shopping center, park, school campus, etc). The intent is for amateur radio to be on display to the public. Available to Classes A, B and F.

Application to NF4AC

The Sheriff's office is open to the public, and the grassy field location in front of the Sheriff's office is also open to the public during our Field Day. The public may park in the parking lot and walk into the field location.

It would be great if we had some SIGNAGE to direct people and/or provided some of that information in our media packages.
