Tentative Program, Wednesday Dec 14, 2022

Version 1.0

<p>HYBRID In Person / Zoom Meeting</p>	<p>QUEEN OF PEACE Try #2 ROOM FIVE in a building that is part of the ORIGINAL Queen of Peace</p>  <p>1. EQUIPMENT. The room has a BOARD and a TV. The Red ARROW above points at the room.</p> <p>2. YOUR EQUIPMENT: Bring the computer you would use in a deployment. We will be working on documents. You do NOT need a radio this meeting.</p> <p>3. WIFI: I have discovered that my Lenovo computer can act as a "hotspot" from a WIFI -- the name will be GordonLenovo Password: testtest</p> <p>I don't know how fast it will be, and this depends on Jim being able to connect my computer -- and my ZOOM computer also. We'll be playing this by ear. If you can come in PERSON, that would be a lot better.</p>
