

**Minutes of Pella Amateur Radio Club
June 2, 2019**

Present: Daniel, WØOTV; Mike NØMPM; Roger WØZMU; David H, WØIM; David S, KEØVWA; Leon, KØLWD; Steve, WBØCHS; Kevin, KBØBGU; Dennis, KKØDJ; Jim S.s WØJTS and Justin, KEØFKF.

Treasurer:

- Activity since last meeting:
- Membership: \$10
- Repeater Fund Donations: \$183
- Sale of Assets: \$120
- April/May Interest: \$0.72
- PENS-13 Batteries: \$(101.44)
- \$1500 total in all accounts.

Repeater:

Can consistently get out to 30 miles. The noise is still there sometimes. Mike has a contact that is giving them ideas for what to try. Create a methodical test plan.

GPSL:

36 signed up for symposium. 43 for banquet Friday night. Registration has been strong. Launch between 7-8am Saturday. Launching 5 balloons and some pico balloons.

Need help:

- Friday – Meet Airgas at Pella Christian to help unload 5 bottles to shed on June 14th.
- Friday - Registration table help. Hand out name tags, keep track of who showed up (8-9am) at Vermeer science center at Central.

Field Day:

Discussed many Field Day details. See separate email from Justin.

David: Can now upload photos and videos to groups.io.

2019 Hamvention Trip – Dennis, KKØDJ - See presentation at Groups.io

David H.: Show and tell. MFJ 1786 controller and loop antenna.

Next meeting at The Well during Field Day. Saturday, June 22.
