# (7) FEDERAL COUNCILLOR'S REPORT (VK6HTW Trevor)

Trevor said that (in the matter of the National WIA) he saw his job as sorting it out on behalf of the West Australian members, He said he has had serious reservations (about the documents presented so far), particularly concerning the proposed National Directors becoming the Division's Council.

May 2004 Council Minutes

VK3 Division has been seeking legal advice and has been told that the documents are not worth the paper they are written on (particularly the Collateral agreement in it's present form). The Legal advice was that if an agreement is made which includes the death of the entity, then it is a non-event.

VK3 Division has come up with minimal changes to the proposed constitution which would, wipe out old proposed collateral agreement. Basically, the bottom line is that VK6, VK2 and VK3 divisions would stay as is, and operate as is, 99% of the proposed Constitution will remain

(They would be funded by receiving 20% of the membership subscription for which they would still provide membership services as now.).

Michael Owen is reported to have said that although he is not 100% happy with the changes it will work. However there is a chance that members may opt out of the proposed National body and stay with the Divisions for an initial fee of \$15. (NOTE -A subsequent E-mail from Michael Owen shows that he is 100 % against it)

#### THIS WOULD GIVE US THE FALL BACK POSITION WE NEED IF PROPOSAL FAILS

We would be the service provider for our state, as would VK3, we would not have to pay for their services. It would cut out all the committees. If it goes ahead (to the continued Federal AGM phone hook-up on Sunday) the seven states will vote for it.

Bruce VK6OO asked if they think they can set it up under these conditions? Trevor replied that VK3 are keen on it and are prepared to give \$50 per (VK3) member as seed capital to start it off for the benefit of their members. Neil VK6NE said that Federal have \$170,000 available now (in addition)

Christine VK6ZLZ asked if our members would still have to resign from the Division? Trevor replied that he is not sure. but thought that there would be 99% no change to the proposed Constitution, he said that his position would go as Federal Councillor.

On the inclusion of the new Director's names in the new constitution, Trevor said that he had REAL CONCERNS over the lack of information as to who they were, and what their qualifications and experience might be. He was upset that he did not have details of who they were and he needed to see their Curriculum Vitaes and names.

With the VK3 proposed amendments (known as Version 236) it would keep us as a viable body. VK2 and VK3 were also offering to invest more.

Bruce said that we should have faith to which Trevor replied yes but not blind faith., to go ahead it needs six of the seven votes at the Sunday phone Hook-up, he thought it would get all seven. Bruce said that we should go with the constitution with the unknown names. Trevor agreed to go with it but was not happy. Neil VK6NE said we should go along with the AGM special resolution. Christine would like to see the final changes to the constitution.

Neil VK6NE asked if Council was happy to vote on Trevor's proposal?

Trevor VK6HTW then put the motion:

"VK6 Council will accept the WIA National Constitution as presented tonight including the VK3 amendments known as version 236 dated 03.04.04"

Proposed VK6HTW seconded VK6KAD

Those in favour:

Neil VK6NE

Roy VK6XV

Kathi VK6HKR

Trevor VK6HTW

Neil VK6BDO

Dennis VK6KAD

Cliff VK6LZ

Those against:

Christine VK6ZLZ (Not happy until she sees final version in black and white, before it's signed)

Absent:

Will VK6UU

(NOTE This means that the Council has accepted the Constitution as modified in version 236, but not the collateral agreement which was previously rejected and will now need to be amended)

Trevor said that he cannot vote for it until the names of the proposed Directors are known so that the capability of the nominees can be judged. Dennis asked what happens if it all falls through? Trevor said we will remain with the status quo.

Neil VK6NE addressing Robyn VK6XRE 's nomination for director, asked for Council approval.

Proposed VK6BDO seconded VK6KAD and carried unanimously.

ACTION Neil VK6NE to forward nomination

Due to Trevor's family commitments making it inconvenient at his place, the Federal AGM phone conference will take place at Neil VK6NE's place at 12 noon on Sunday the 16th May 2004 Council members are invited to attend.
