LOCAL HAPPENINGS:

Next ICARC meeting is on August 6, 2019, at Eat n' Park restaurant in the backroom at 7:30 pm. Hope to see you there.

Another reminder that a couple of local hams are planning to put up wire antennas this Summer so we should all be thinking about trying to help out when they are ready to start to work on them a bit later in the the Summer or early Fall. A couple of brief site surveys have already been done and initial plans made. Just remember that some of the most fun in Ham radio is getting antennas into the air so that radios can actually be used. Will likely need several folks to help out with this so keep a few weekends open for it. Im sure there will be further discussion and planning as time progresses. It's gonna be a barrell of fun!
