

The San Fernando Valley Amateur Radio Club

Volume 60 Number 08 August 2014

President's QRM

For those who missed last month's meeting, we had a great discussion of Field Day at Granada Hills High School. Most of the comments were very positive and a lot of good suggestions were made for next year.

Speaking of next year, we are scheduling next year's picnic for the first part of June. Having the picnic before Field Day gives us a chance to try some antennas and check out the club radios. Reminder, tickets will be available at the meeting for the Christmas/Holiday Banquet, December 14th, at Knollwood Country Club. Tickets are \$35 each. See Jack KO6V to get your tickets.

Don't miss the August meeting. Mark, K6FG, will be making a presentation on remote operations. See the notice in this news letter for more information.

August Guest Speaker Mark Weiss, K6FG

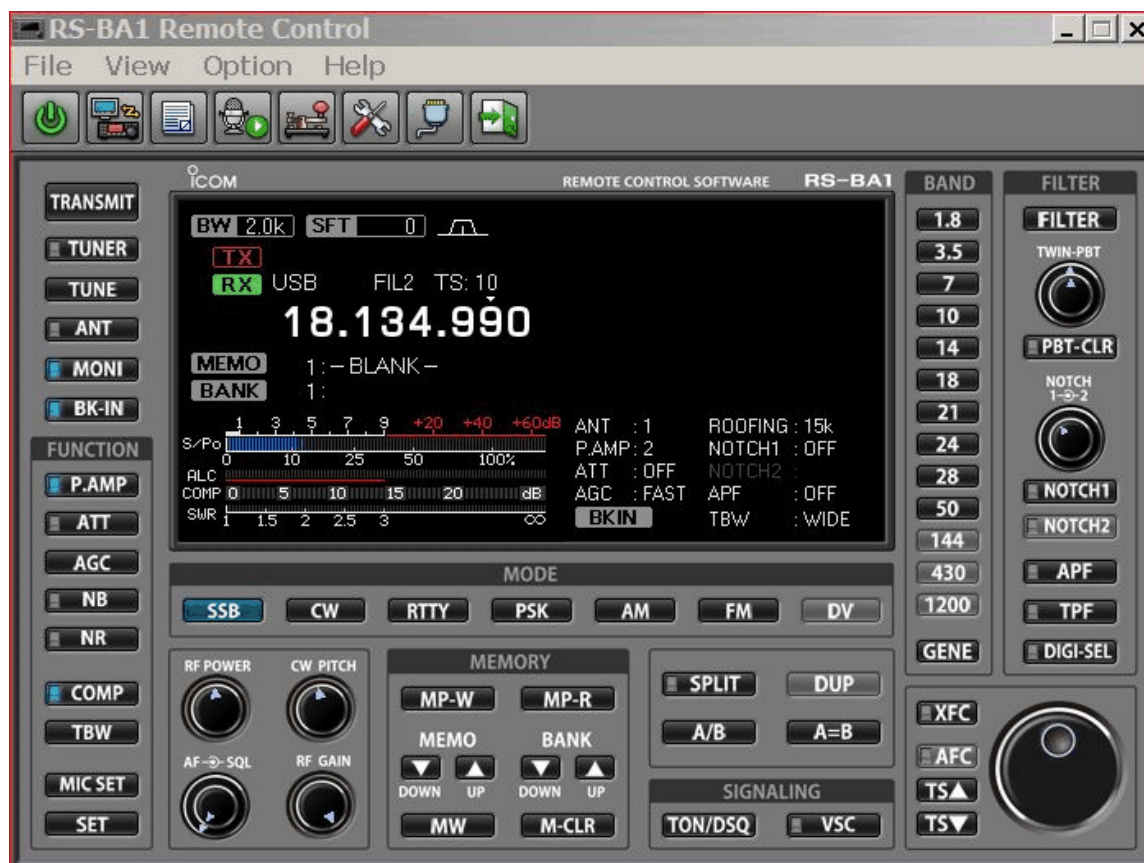

At the August 15th meeting, Mark Weiss, K6FG, will present a program that demonstrates the setup and operation of remote ham Radio over the Internet.

Imagine being able to check into a local radio club net while aboard a cruise ship on the other side of the world. Well, Mark successfully did that earlier this year using shipboard Internet.

Attend the meeting and learn how to set up your home rig for remote operation. See a real-time demonstration.
